

Get Ready for a Colorful Year

Kid Connect

Mason Jar Aquarium

Join us for August's Kid Connect program for some family art fun. Our monthly Kid Connect programs are open at 4:00 and are set up in a take and make format. This month's program will be on Thursday, August 24th. If planning on attending, please RSVP by August 17th.

Does your child like fish??? Would they like an aquarium?? They want but you don't want to feed or clean it? We have the solution. Make sure to join us in making your own Mason Jar Aquarium to take home. No daily feeding or weekly cleaning required. Come explore the fun!

Self Care

With Ms Kathryn

Let's talk a moment to talk about self care. As a caregiver of any kind, it is difficult to give care if you are not at your best. It is important as parents, teachers or any other caregiver to find ways to take care of yourself on a regular basis.

To start, make time for yourself. Set aside a few minutes each day, or an hour every week, to relax and recharge. One of the best things you can do is find a hobby that you enjoy. An ideal hobby will be one that you can do by yourself, for yourself. While it would be great to find a way to include loved ones on special occasions, it really should be something you can do regularly by yourself.

Secondly, It is important to utilize the support and resources available to you. Lean on friends, family and community to assist you in getting in some "me time". The best part is that you don't even need to leave the house. Seclude yourself in a room in the house to watch a movie, take a bath, do some yoga and or play video games. But you can leave the house if you want, take a walk, hit up the spa, hang out by the lake, go bowling. The options are nearly limitless.

The important take away here is that you make sure to set aside the time for yourself. Chances are if it isn't intentionally schedule, it will not happen. If you want to take the very best care of your child, it starts with taking the very best care of you.

Around Faith Academy This Month

Tuesday 1st- Pre K/K field trip

- Tissues
- Lysol Wipes
- Lysol spray
- 1Package of Crayons
- Construction Paper
- Ziploc Bags

Meet the Teachers

Lots of changes took place over the summer in regards to school year routines, teacher teams, classroom assignments. Please join us Friday August 25th, 6:30-7:30 to meet the teachers.

Learn classroom routines, homework materials, class structure, and visit with the teachers. You may drop in and go as you need to during the event.

Refreshments and cookies will be available during this time. Ms. Rachell and Ms. Angelica will also have activities in the auditorium for the kids to do while visiting their classrooms.

If you have any questions, please let us know. See you there.

August is a busy month here at Faith Academy as students start to transition to new classes and into school curriculum. Teachers are gearing up for a great new school year with your children based on academic excellence and Biblical principles. Class placement and welcome letters will be sent out towards the end of August, along with a yearly calendar so you can save those important dates. As part of this year's packet you will find a new parent handbook outlining specific information and procedures in regards to vacations, maturity leave, summer withdrawal and an update of class and tuition.

Communication with parents and the family unit is our focus this year. We will be working on monthly assessments of the children to track developmental aspects through this year. Copies of assessments will be available for your child upon request. We will also be having quarterly telephone conferences available to parents along with new parent boards located outside your child's classrooms.

If you have any questions on curriculum or supply fees please see the tuition section of the parent handbook or stop by the office. Supplies and a supply fee of \$50.00 along with curriculum fees (dependent on class) are due in the office by August 15th. Please choose 2 or more supplies from the list for your child's classroom to bring by August 15th.

This year we will have a parent pick snack calendar. If wanting to help contribute a snack, please sign up on the parent pick calendar on the front desk. Please drop the snack off two days prior to the scheduled day. If you have any questions, please let the office know.
